WORKERS TOGETHER AT NIAGARA COLLEGE

In our College's operational objectives we have indicated that we propose to maximize the utilization of our human resource potential, which is our most important resource, by maintaining a working environment that motivates all employees to strive for both personal growth and achievement. One important aspect of creating such an environment is getting to know your fellow employees. Hopefully, this book will help you put names and faces together as well as provide you with a handy reference when you meet people you don't know who work in other schools and branches within the college.

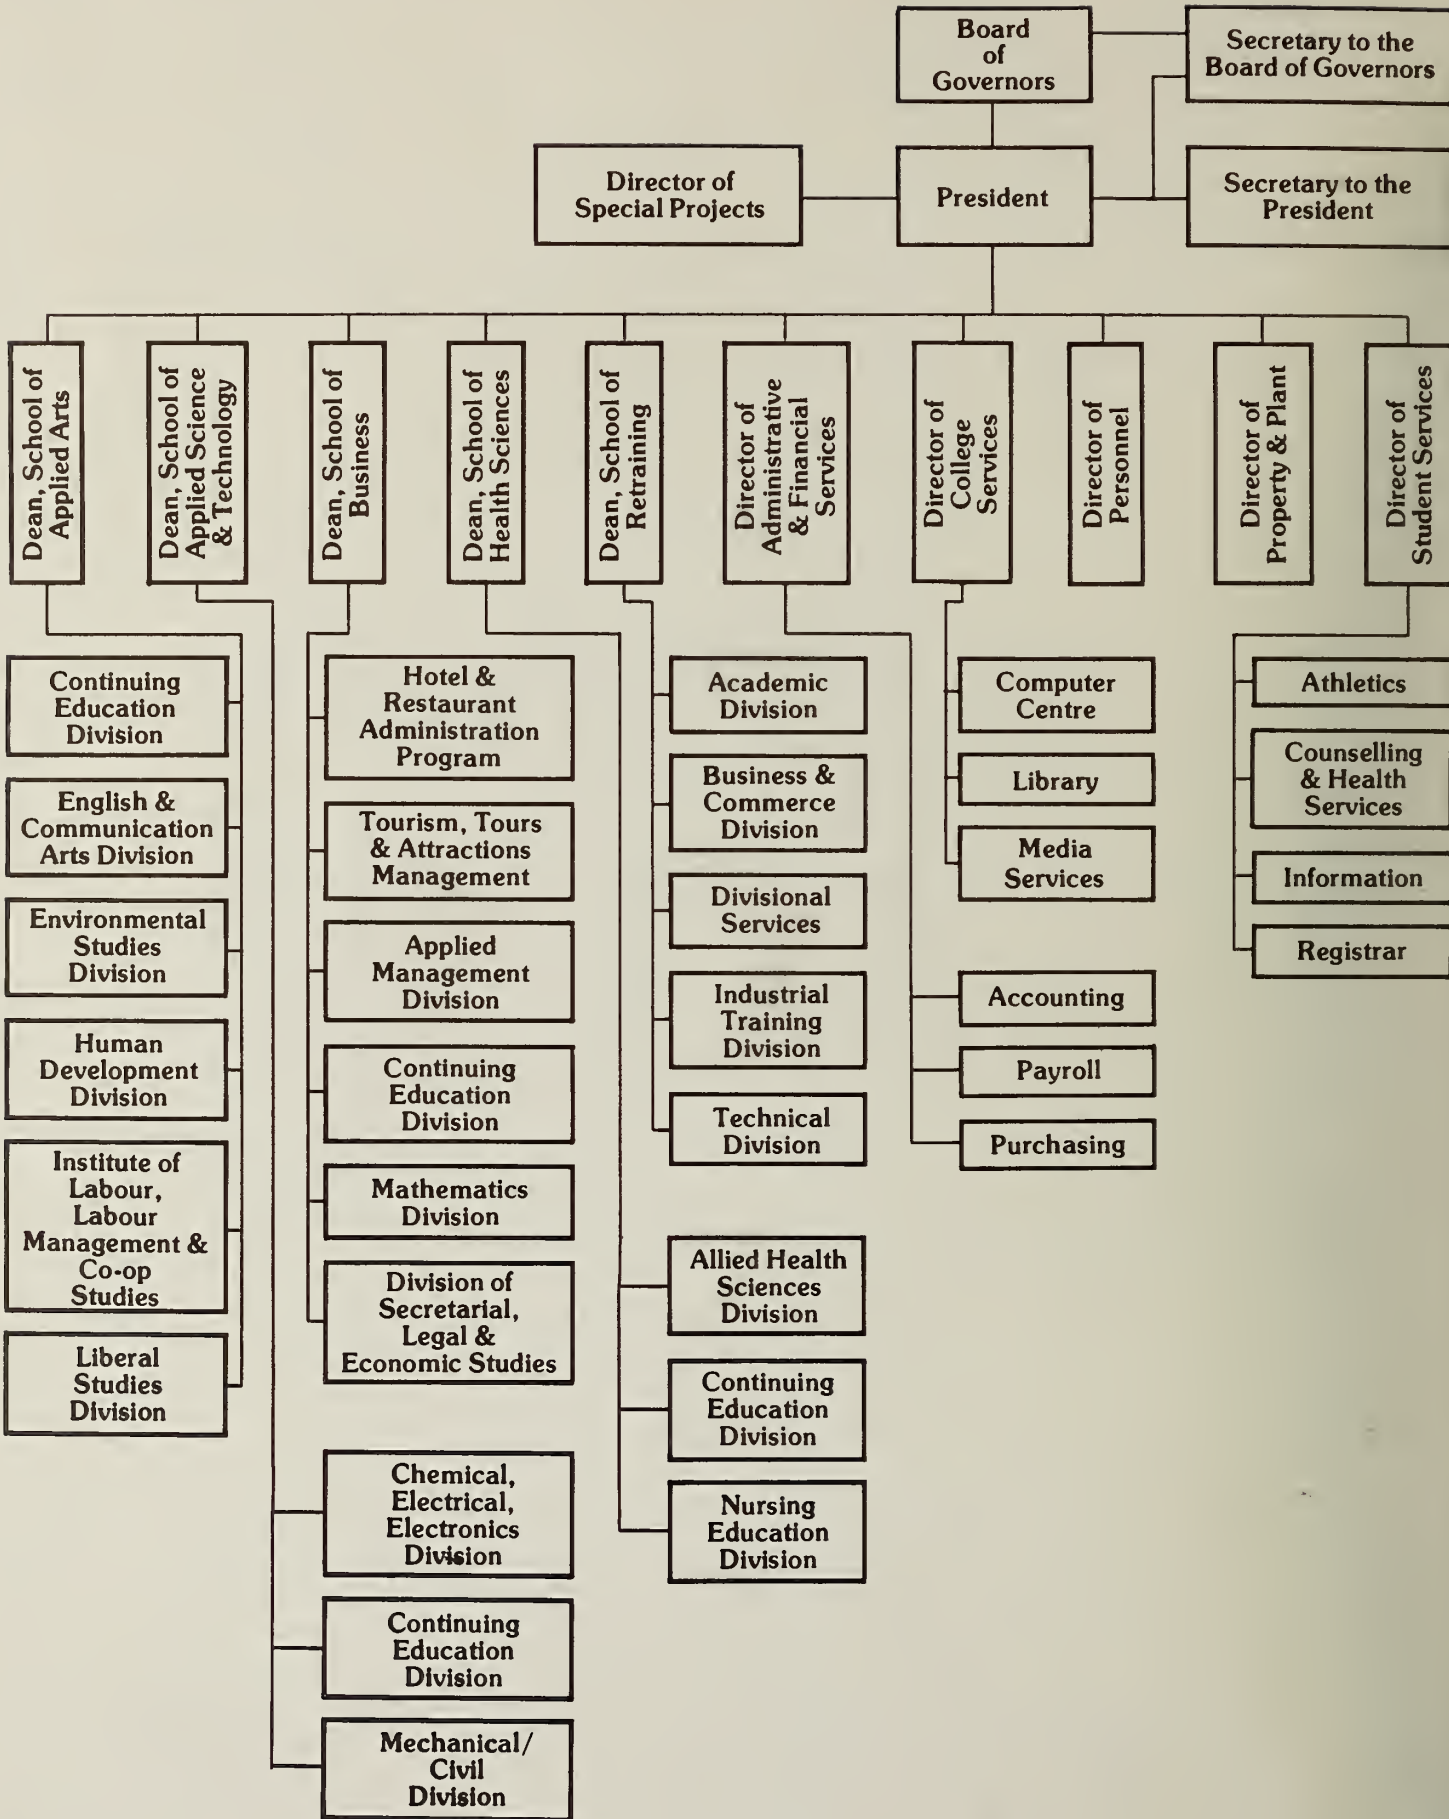

At present we have approximately 450 full-time employees who report through the school and branch heads, as outlined in the organizational chart on the next page. Niagara College is becoming a fairly large organization and becoming oriented with how the college operates is not an easy task. We hope that this resource will be useful to all our employees. Efficient and friendly communication among the people at Niagara College is an important step toward ensuring our ability to continue to provide a professional teaching-learning environment.

HERE'S LOOKING AT YOU!

A handwritten signature in black ink, reading "Jacqueline P. Robarts". The signature is fluid and cursive, with a long horizontal line extending from the end of the name.

Jacqueline P. Robarts,
President

Niagara College Welland Campus Welland, Ontario

Niagara College is the community college of the Niagara Region. Established in 1967, Niagara College operates permanent campuses in the cities of Welland, St. Catharines and Niagara Falls, with facilities in other Peninsula communities as needs are determined.

**ALL COLLEGE EMPLOYEES ARE NEEDED
TO HELP US CELEBRATE
THE COLLEGE'S
ANNUAL FESTIVAL**

**In February
which recognizes the marvellous
cultural mix of our
Canadian Heritage**

SHARE! ENJOY! PARTICIPATE!

**PLAN TO BRING YOUR FAMILY,
FRIENDS AND NEIGHBOURS**

We need you to make it a success.

We'll be looking for you!

Niagara College of Applied Arts & Technology
